Frequently Asked Questions

Q: Why voice is low?

A: Please wear neckloop slantly to get louder volume. Refer to step II in right side.

Q: Why can not use on my mobile phone?

A: Many mobile phones are use same 2.5mm/3.5mm 3pins plugs, however, their jointing methods are different. You can require to make customize jointed neckloop.

If the plug does not fit to your mobile phone, please use TE335/TE325 jack adaptors.

Q: Can I Use Battery on TE21 Neckloop?

A: No, TE21 is non-power inductive transmitter, and exclude power circuits. Microphone on TE21 is use power from mobile phone.

Q: How to enlarge the power of neckloop?

A: You can choose new model 3.5watt TE26 to get very powerful signals.

Q: What is the package/bag of TE21?

A: TE21 is pack in plastic white bag. You can order EVA bag to pack TE21 neckloop.

Quick Start

i Connect with Mobile Phone

TE21 comes with 2 kinds of jacks, including 2.5mm 3 pins and 3.5mm 3 pins. Please choose jack according to your applications and mobile phones.

Plus 2.5mm/3.5mm jack into headset socket in mobile phone, then confirm the neckloop is for "Audio Output/Input" if mobile phone remind you to choose the headset type.

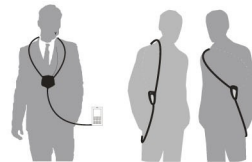

If both of 2.5mm and 3.5mm jack does not fit to your mobile phone, please use TE335 (for 3.5mm jack) or TE325 (for 2.5mm jack) jack adaptors.

ii Wear Neckloop

Wear neckloop on your ear and put microphone in collar position with microphone clip.

If you need louder volume in earpiece, please wear the neckloop slantly same as below sketches showing.

[Regular] [Slantly 1/2]

iii Use Neckloop with Earpiece

Now you can load button battery into spy earpiece, then wear earpiece in left or right side of ear canals.

Make a call or play music in mobile phone, you will hear sounds in spy earpiece.

iv Customize Productions

If the jointing methods (refer to below "Jack Diagram") does not fit to your requirements, you can request a customize production. That is change "Microphone/Hearing/Ground" to other connection joints. Require order quantity to be more than 100pcs.
